

# Forget You!

## Cee Lo Green

I see you drive around town with the guy I love  
And I'm like forget you  
I guess the change in my pocket wasn't enough  
I'm like forget you and forget him too  
Said, if I was richer, I'd still be with you  
Ha, now ain't that some shh  
And although there's pain in my chest  
I still wish you the best with a forget you  
Yeah, I'm sorry, I can't afford a Ferrari  
But that don't mean I can't get you there  
I guess she's an Xbox, and I'm more an Atari  
But the way you play your game ain't fair  
I pity the fool that falls in love with you  
Well, I've got some news for you  
Yeah, go run and tell your little girlfriend  
I see you drive around town with the guy I love  
And I'm like forget you  
I guess the change in my pocket wasn't enough  
I'm like forget you and forget him too  
Said, if I was richer, I'd still be with you  
Now ain't that some shh  
And although there's pain in my chest  
I still wish you the best with a forget you  
Now I know that I had to borrow  
Beg and steal and lie and cheat  
Trying to keep you, trying to please you  
'Cause being in love with your face ain't cheap  
Now, I pity the fool that falls in love with you  
Well, I've got some news for you  
Oh, I really hate you right now  
I see you drive around town with the guy I love  
And I'm like forget you  
I guess the change in my pocket wasn't enough  
I'm like forget you and forget him too  
Said, if I was richer, I'd still be with you  
Ha, now ain't that some shh  
And although there's pain in my chest  
I still wish you the best with a forget you  
Now, baby, baby, baby

Why'd you wanna, wanna hurt me so bad?  
I tried to tell my mama but she told me  
This is one for your dad  
Yeah, she did, yeah, she did  
Why, why, why baby?  
Oh, I love you  
I still love you, ooh  
I see you drive around town with the guy I love  
And I'm like forget you  
I guess the change in my pocket wasn't enough  
I'm like forget you and forget him too  
Said, if I was richer, I'd still be with you  
Ha, now ain't that some shh  
Although there's pain in my chest  
I still wish you the best with a forget you
