

They Said That Hell's Not Hot

Marilyn Manson

I kill myself in small amounts
In each relationship, it's not about love
Just another funeral
And just another girl left in tears And I'm waiting with the sound turned off
I'm waiting like a glass balloon
I'm fading into the void and then
I'm gone, I'm gone, I'm gone They said that Hell's not hot
They said that Hell's not hot I gave my soul to someone else
She must have known that it was already sold
But it was never about her
It was about the hurt I'm waiting with the sound turned off
I'm waiting like a glass balloon
I'm fading into the void and then
I'm gone, I'm gone, I'm gone I kill myself in small amounts
In each relationship, it's not about love
Just another funeral
And just another girl left in tears Waiting with the sound turned off
I'm waiting like a glass balloon
I'm fading into the void and then
I'm gone, I'm gone, I'm gone I'm waiting, waiting, I'm fading
I'm gone, I'm gone, I'm gone They said that Hell's not hot
They said that Hell's not hot
They said that Hell's not hot
They said that Hell's not hot
