Ain't Nobody But Me

Supertramp

Let me tell you a story that'll make a change
Let me tell you when I'm way out of range
It's about a man crueler than me
So, promise not to cause a scene
Heaven help the one's you love
There's no big need for stars aboveWell you can run, you know he'll find you
It don't matter now, just look behind you
Your hands are warnin', and you knew the score
You got it wrong and that means war
So, why'd you have to treat me rough
Your explanation's not enoughAin't nobody but me
Gonna lie for you, gonna die for you
Ain't no fish in the sea
Gonna sigh for you, gonna try for you
Gonna lie for you, gonna die for you
WoohYou see, I got a mental disposition
Sometimes I'm mean, sometimes I'm vicious
I'm Dr. Jekyll, Mr. Hyde
So if you wanna stay alive
Just give me all you've got to give
And, then perhaps I'll let you liveAin't nobody but me
Gonna lie for you, gonna die for you
Ain't no fish in the sea
Gonna sigh for you, gonna try for you
Gonna lie for you, gonna die for you
Gonna sigh for you, gonna try for you
Gonna lie for you, gonna die for you(Hush)
Now baby, stop your cryin'
(Oh, yes)
I know that I've been lyin'
(Hush)
Now baby, stop your cryin'
(Oh, yes)
I know that I've been lyin'
(Don't you)
(Hush)
Now baby, stop your cryin'
(Oh, yes)
I know that I've been lyin'

(Don't you)
(Hush)
Now baby, stop your cryin'
(Oh, yes)
I know that I've been lyin'
(Don't you)
(Hush)
Now baby, stop your cryin'
Aah aaa
