

# Rush

## Ferras

I kissed your sweet lips  
I floated so high  
Your eyes looked at mine  
The world froze in time  
What is this feeling?  
I am on cloud nine  
Guess Im still reeling from your body next to mine  
CHORUS:  
Its a rush I cant explain  
Like you shot something crazy into my veins  
And Im ten feet off the ground  
And I dont want to come down  
Dont want to come down I know youre sleeping  
I wish you were right here  
Cause my beds so empty  
Id hold you so close dear  
And I sang my song to you  
Your smile was priceless  
What else can I do?  
Im a junkie over you  
CHORUS:  
Its a rush I cant explain  
Like you shot something crazy into my veins  
And Im ten feet off the ground  
And I dont want to come down  
Is it me, or is everything spinning  
Im wide awake but I must be dreaming  
Its like youre some kind of drug  
Try to catch my breath  
And see if Im still breathing  
Touch my heart and make sure its beating  
Its like Im falling in love  
CHORUS:  
Its a rush I cant explain  
Like you shot something crazy into my veins  
And Im ten feet off the ground.  
And I dont , no I dont, no, dont want to come down  
Dont want to come down  
Gonna come down
