I Am Down

Plastiscines

You felt it might be a gay
Between you and him
Between me and youYou felt it might be better
To change your life
But not tonightI wonder how it would have been
Without knowing you
I'm asking whyYou've never wanted to admit
That you were crazy for himI am down tonight
I am down tonight
I am down tonight
Again tonightI am down tonight
I am down tonight
I am down tonight
Because of youI've never really understood
Why it was me
Why it was youMight pay them all the trouble cause
We're a waste of time
Not tonightI thought I was the only one
Maybe for a day
Or just tonightI couldn't bear to have you just
Half of the time its not enoughI want to figure out before
It's too late
Before you find out how you really feelI am down tonight
I am down tonight
I am down tonight
Again tonightI am down tonight
I am down tonight
I am down tonight
Because of youI want to figure out before
It's too late
Before you find out how you really feelI am down tonight
I am down tonight
I am down tonight
Again tonight (x3)I am down tonight
I am down tonight
I am down tonight
Because of you
