I Worship You

Razed in Black

meet me in my lust lair
i'm a slave at your request
your dress, my dress i will tear
tie me down i'm helpless
you know you're with the best
tie me down i'm helpless
blindfolded and gagged
force the blade against my throat
lick the blood against the edge
i'll gladly lick you down there
scratch wells upon your back
i burn you with black candles
claw as i attack
i'm broken - possessed
empowered - undressed
i worship you
i thrust your dripping heaven
cry out while i preform
plunge in through the back side
as you quiver and squirm
ride me and i'll help you
get rid of your despair
strangle me i want to
breathe you into resurrecti'm broken - possessed
empowered - undressed
i worship you
