

# Keep It a Crime

## The Suicide Machines

Ride free or die, your laws don't apply  
Gonna hop your fence and skate the pool  
Skate the rail at your high school kick me out  
But I'll come back maybe next time with a baseball bat Fuck security, fuck the cops  
I'm gonna skate just where I want  
Skatings a crime so let's keep it that way  
Just wanna sk8, sk8 Do a smith grind I'll rip down your sign  
Gonna grind the benches at the mall  
Kick flip the stairs at city hall you give me a ticket  
I'll tear it up spit in your face and say, "You fucking suck" Fuck security, fuck the cops  
I'm gonna skate just where I want  
Skatings a crime so let's keep it that way  
Just wanna sk8, sk8
