I'm Not Over

Carolina Liar

What a waste of time, the thought crossed my mind
But I never missed a beat
Cant explain the who or what I was
Trying to believeWhat would you do?
What would you do? Do you know?
I once had a grip on everything
It feels better to let goIm not over
Im not over you just yet
Cannot hide it
Youre not that easy to forget
Im not overNever took the chance, couldve jumped the fence
I was scared of my own two feet
Couldnt cross the line, it was black and white
No contrast to be seenWhat would you do?
What would you do? Do you know?
Was it all a joke, never had control
Im not better on my ownIm not over
Im not over you just yet
Cannot hide it
Youre not that easy to forget
Im not overWhat a waste of time
The thought crossed my mind
Cant explain this thing, or what I mean
Im trying to let it goAnd Im not over
Im not over you just yet
Cannot hide it
Youre not that easy to forget
Im not over
Im not over you just yet
Cannot hide it
Youre not that easy to forgetIm not over, Im not over
