Hey Now Now (Dance Pop Radio Edit)

Swirl 360

On the inside
Do you know what you're about
When I see you
I wanna free you
Cos you're always freaking out
We could be riding on the waves of an ocean,
baby
Flying to the beat of our hearts
I wanna make you a starHey Now Now
Don't you know
It's not really that complicated
Hey Now Now
When you come and go
It's so hard for me to sleep at nightHey Now Now
Listen you
Think of all of the time we've wasted
Hey Now Now, Hey Now Now, Hey Now NowFrom the outside
Looking in I see your bright light
Yeah, believe it when I say
Everything will be alrightGonna stay right here when your sun
don't shine
While your head's still up in the clouds
For crying out loudHey Now Now
Don't you know
It's not really that complicated
Hey Now Now
When you come and go
It's so hard for me to sleep at nightHey Now Now
Listen you
Think of all of the time we've wasted
Don't ask how but dreams come true
And we'll find a way to make it rightAnd if you think that innocence is dead
I'll say it's all inside your head
I've got to tell you how I feel
And you know we're gonna make it for realMeet me halfway
We can't help but come together
I'll make you happy
I'll show you what this love's aboutHey Now Now
Don't you know

It's not really that complicated
Hey Now Now
When you come and go
It's so hard for me to sleep at nightHey Now Now
Listen you
Think of all of the time we've wasted
Don't ask how but dreams come true
And we'll find a way to make it right
