

Devil Or The Blue Cat's Song

Volbeat

Drunken spectators, the crucified demon on my shoulder cry loud
 Banging the head against the table
 The whiskey can no longer find it's way home
 In the corner of fallen fights a cat sits licking it's wounds
 It's eyes will forever take me homeOOOOH devil from the birth (x2)
OOOOH devil or the blue cat's songPoisoning the mind with liqour who calls all the demons to shine
 Pain no penance, forget the martyrs
 This is your own way to copy your mind
 In the corner of fallen fights a cat sits licking it's wounds
 It's eyes will forever take me home
 OOOOH devil from the birth (x2)
OOOOH devil or the blue cat's songIn the light i'm blind but i'm clean
 And they know in the darkness i'm home
 Well there's something else and it's screams
 And i know, if let i loseOOOOH devil or the blue cat's song
 The unexpected struggle to come back
 and plotting the forcast to stars
 Fixtures the escot among the remembrance
 of the days that was falling apart
 In the corner of fallen fights a cat
 sits licking it's wounds
 It's eyes will forever take me homeOOOOH devil from the birth (x2)
 OOOOH devil or the blue cat's song
