

Automatic Schmuck

The Hives

Born only a month ago yet I'm (already) fully grown from head to toe.
Lots of metal, lots of grease and put together piece by piece.

To support a system that uses me....but the day is here and they're gonna see.
I'm on a mission cause now I've had it.
I watch their system and spit right at it.
I was born and plated a schmuck they created.
I'll explode I'll erode yeah I'll break you fucking code cause
I'm an automatic schmuck.
With a tendency to rock.
Deprived of mind but yet I know
I'm a metallic man about to blow.

Time to set the record straight.
Time to let out all my hate.
I'm on a mission an metallic man with the intention to expose the plan.
I was born and plated a schmuck they created.
I'll explode I'll erode yeah I'll break you fucking code cause
I'm an automatic schmuck.
With a tendency to rock.
I'm on a mission a metallic goof
It takes a man of steal to reveal the truth.
I was born and plated a schmuck they created.
I'll explode I'll erode yeah I'll break you fucking code cause
I'm an automatic schmuck.
With a tendency to rock.
