

He's comin (feat. Papa Bear)

Nana

Darkman is back
He's coming for a ride
Have no fear
Have no fear
He's comin', he's comin' He's here, have no fear
Stay by his side
And he'll take you for a ride
He's comin', he's comin'
He's here have no fear
Darkman is back
Nana is here
Booya that's the name of the gang
Me and my boyz all day we hang
Representin' the fattest shit that you ever heard
One for the money, two for the girls
Ladies let me see your G-string drop
Time for some action you know
We don't flop 'till the top
This is how we do everyday
Knockin' out niggas in the face
Like Cassius Clay
Baby baby what can we do
Let's go for a ride with me and my crew
Unstoppable inflammable
Sensational international
High class quality
The best you can get
You wanna step you better check
The Internet
Apply while standing in the line
Booya in the house
To blow your mind
He's comin', he's comin'
He's here, have no fear
Stay by his side
And he'll take you for a ride
He's comin', he's comin'
He's here have no fear
Darkman is back

Nana is hereDon't you have no fear
Nana is hereStop look and listen let me introduce
Toni Cottura my homeboy
Got juice like Bruce Lee
The master of kung fu
Flashback in your dreams
Another deja vu
Boom when he comes thru the door
No doubt about the fact
That you want some more
True love and respect
We have for one another
Sitting off for a sec
It's the Darkman Nana
Yo Nana, I got your back like no other
Trust, love, respect for another
Who ain't Booya gonna suffer
Toni Cottura dying would I for ya
My family is Booya
Like Daisy is my flower
Bulo made it yes! Jan and June
Gonna creep to the top soon
Nana, you fucked your enemies
Mad props and love
Gives you Booya familyHe's comin', he's comin'
He's here, have no fear
Stay by his side
And he'll take you for a ride
He's comin', he's comin'
He's here have no fear
Darkman is back
Nana is hereStay by his side
And he'll take you for a ride
Darkman is back, Darkman is back
He's comin', he's comin'
He's here, have no fear
