My Heart (Acoustic Version)

The Perishers

Its my heart youre stealin'
Its my heart you take
Its my heart youre dealin' with
And its my heart youll breakIts my heart youre takin'
Its breakin' bit by bit
Its my heart youre dealin' with
But you dont know 'bout itIf youd feel like I feel
And if youd know what I know
I dont think youd ever play me
I know youd never play meIts my heart youre stealin'
Its my heart you take
Its my heart youre dealin' with
And its my heart youll break
