

A Little Hard Hearted

[Melissa Etheridge](#)

We were playing house,
Just playing make-believe
That you and I, and love was all we really need.
How could I have known that every feeling swallowed inside would just keep growing,
Never knowing that it will someday blow in. Then it was over, just like it started,
A little more lonely and a little hard hearted.
The looking glasss shattered, everyone departed.
A little more lonely and a little hard hearted. Broken dreams and shattered glass,
Late night screams and busted handles.
We tried to hide the past,
Settled for the lies and the dirty scandals.
How could I have known the promises would fade and turn to stone
And fall away, just fall away. Then it was over, just like it started,
A little more lonely and a little hard hearted, yeah.
The looking glasss shattered, everyone departed.
A little more lonely and a little hard hearted. (Ooh) I don't wanna be hard hearted.
No, I don't wanna be hard hearted. Then it was over, just like it started,
A little more lonely and a little hard hearted.
The looking glasss shattered, everyone departed.
A little more lonely and a little hard hearted. Then it was over, just like it started,
A little more lonely and a little hard hearted.
I don't wanna be, I don't wanna be, I don't wanna be lonely.
I don't wanna be hard hearted.
