

Distraction

Kehlani

(Do you, do you, do you wanna be a....)Do me a favor, pick me up, take me out later
Don't worry about no paper, cause I got my stacked up for nights like this
My life can get crazy, I deal with shit on the daily
But baby I'm thinking maybe, we can agree to work it out like thisI need you (you, oh) to give me your time
(give me your time...)
I need you (you, oh) to not wanna be mine!Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna beI need you to respect it, yeah, yeah, yeah, yeah
Sometimes this shit get me stressing
So I need you with me
To keep me right and keep me up all night
We can get faded
This life can make you so jaded
So we can stay shaded
Just to us and we can get it rightI need you to give me your time
I need you to not wanna be mineAre you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna beI can't say I give my all
But tonight, I'd risk it all
Woah, woah, woah
Are you down to be....Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be

A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me, let me ask you baby
Do you, do you, do you wanna be
A distraction baby(Do you, do you, do you wanna be...)
