

Wish You Were Mine

Caroline Dare

Hey, you don't who I am
But I hope you understand
That I need to talk to you
I don't usually fall in love easily
But I happened to fall in love with you
I just love your dark brown hair
And the way you do that stare
And your dimple when you smile
So can I take your time for a minute
Let me explain why I dream of you and I
Cause you're too funny and I love your brown eyes
Can't get over your smile and I don't know why
I think about you all the time
And I must admit I wish you were mine
I'd love to hold your hand
Eat pizza, 3 AM
I wanna watch you fall asleep
And I love the way you walk
The way you talk
And how you're taller than me
I wanna be more than a friend
Get your attention
We should meet someday
And I love everything you hate
Regardless of your mistakes
I'm gonna love you just the same
Cause you're too funny and I love your brown eyes
Can't get over your smile and I don't know why
I think about you all the time
And I must admit I wish you were mine
Cause you're too funny and I love your brown eyes
I can't seem to get you out of my mind
I think about you all the time
And I must admit I wish you were mine
Cause you're too funny and I love your brown eyes
Can't get over your smile and I don't know why
I think about you all the time
And I must admit I wish you were mine
I wish you were mine
I wish you were mine
