

# The Best

## Bonnie Tyler

I call you when I need you  
And my heart's on fire  
You come to me, come to me  
Wild and wired You come to me, give me everything I need  
You bring a lifetime of promises  
And a world of dreams  
You speak the language of love Like you know what it means  
And it can't be wrong  
Take my heart and make it strong  
'Cause you're simply the best Better than all the rest  
Better than anyone  
Anyone I ever met  
I'm stuck on your heart I hang on every word you said  
Tear us apart  
Baby I would rather be dead  
Deep in your heart I see the start  
Of every night and every day  
And in your eyes I get lost  
I get washed away Just as long as I'm here in your arms  
I could be in no better place  
'Cause you're simply the best
