Heartless

Tomorrows Bad Seeds

curiosity killed the cat then what happened to the dog
did you ever let me get the best of you
?cuz I never let you get the best of me oh no
what's wrong with you girl
why don't you just leave me alone
you?re holding me down
shit has changed and now its time for me to roll

hmm....
It?s a lotta yada-yada with the way you flap your lips
what the hell and who the fuck does she think she is
you know you've done this to me a one too many times
you know you've done this to me a one too many times

curiosity killed the cat then what happened to the dog
did you ever let me get the best of you
cause I never let you get the best of me oh no.....
