

I Thought I Told You That (featuring Faith Evans)

Anastacia

There's boy that I'm into, he's so fly, so cute
I dreamed of, him every night, he had me, on cloud nine
Thought I could trust him, why? He said to me when I needed him
He was there for me, then I found out he did the same
For every girl, with a pretty face I just wanted to believe that he was so innocent, so sweet
He did everything for me, yeah
People told me all along, he was wrong
But I was so nave, don't let him do to you what he did to me Thought I told you that
He would break your heart
He was no good for you, from the start
Thought I told you that
He had another girl
You're not the only woman in his world Thought I told you that
He would make you cry
I don't see how you believe his lie
Thought I told you that
I hate to say that I told you so
Take it from me, you better leave him alone He played me the whole time, that's why I'm warning you
I'm not the jealous type 'cause I've already been there done that
And nothing that he says will make me want him back
It does matter what he sends me a dozen flowers
Or a diamond that's bling bling it's all good but I'm not
The one to be staying home while he's having fun I just wanted to believe that he was so innocent, so sweet
He did everything for me, yeah
People told me all along, he was wrong
But I was so nave don't let him do to you what he did to me Thought I told you that
He would break your heart
He was no good for you, from the start
Thought I told you that
He had another girl
You're not the only woman in his world Thought I told you that
He would make you cry
I don't see how you believe his lie
Thought I told you that
I hate to say that I told you so
Take it from me, you better leave him alone Girlfriend, I'm just trying to make you see
That it's not about you, it's not about me
You can't let him get the best of you this way
You gotta love yourself and just walk away, yeah

I told you that I know you told me that he was not the one
I know you told me that he's God Thought I told you that
He would break your heart
He was no good for you, from the start
Thought I told you that
He had another girl
You're not the only woman in his world Thought I told you that
He would make you cry
I don't see how you believe his lie
Thought I told you that
I hate to say that I told you so
Take it from me, you better leave him alone Thought I told you that
He would break your heart
He was no good for you, from the start
Thought I told you that
He had another girl
You're not the only woman in his world Thought I told you that
He would make you cry
I don't see how you believe his lie
Thought I told you that
I hate to say that I told you so
Take it from me, you better leave him alone
Thought I told you that
