Never Run Away

Kurt Vile

You added on my day, you added on

You added on my dayEach morning we marry it's just the most gorgeous of days

I know you'll never run awayYou met a young man who was a wild child

Who harmonizes keys in his dronin' mind

Saxophones sing from inside his head, cryin': I know you'll never run away

I know you'll never run away

I know you'll never run away

I know you'll never run awayI'm living all the time, thanks, cause you're mine

You turn my dyin' days away

Each day we carry on like believers and lovers

Though there are others who would rather run awayHey, hey, hey - hey, hey - now

Hey, hey, hey - hey, hey, hey - man

Pay, hey, hey - close attentionI know you'll never run away

I know you'll never run away

I know you'll never run away

I know you'll never run awayI'm holding you all night, through to the dawn

You turn my dyin' days away

My steady diet of high on love

Them takin' dope to coke, have to come down sometimeHey, hey, hey - hey, hey - now

Hey, hey, hey - hey, hey - man

Pay, hey, hey - close attention

Hey, hey, hey, hey, hey, hey - nowI know you'll never run away

I know you'll never run away You added on my day, you added on

You added on my dayEach morning we marry it's just the most gorgeous of days

I know you'll never run away
