

The Time We Faced Doom (Skit)

MF Doom

When this reporter babe get here she gonna be on our tip man

You know she gon' wanna write about me and my man here, all kinda (PA: Flash message top secret ultra)

Yeah, and when she does and she puts this picture in the paper, it's going to be a secret exposed...

Man, what the fuck you talking about man?PA: METAL FACE DOOM

Your concurrence in the above is assumed

Top secret ultra random messageOh. Huh...

You...

Man: Now who will be the first to tell me about a past adventure?

I ain't saying nothing. Mommy?Mister Fantastic: Why don't you tell him about the time we faced Doom?

Invisible Woman: Alright! Well as I remember, Doom had threatened the world leaders with destruction of every major city on Earth.(Phone rings)

Headquarters.

Doctor Doom: Good evening.Invisible Woman: Would you believe it? It's Doom on the phone!Mr. Fantastic:

What's on your evil mind?Dr. Doom: Oh, your insulting tongue has marked my words well. I have plotted my revenge on you. Now I shall have it. Bid farewell to your friends!!Doom hates us all!

But in his warped mind, he has a personal score to settle with me.

PA: Operation: Doomsday.
