

# Time Marches On

## The Wretched Ones

Sister cries out from her baby bed  
Brother runs in, feathers on his head  
Mama's in her room learnin' how to sew  
Daddy's drinkin' beer, listenin' to the radio  
Hank Williams sings "Kaw Liga" and "Dear John"  
And time marches on, time marches on  
Sisters usin' rouge and clear complexion soap  
Brothers wearin' beads and he smokes a lot of dope  
Mama is depressed, barely makes a sound  
Daddy's got a girlfriend in another town  
Bob Dylan sings "Like A Rolling Stone"  
And time marches on, time marches on  
The south moves north, the north moves south  
A star is born, a star burns out  
The only thing that stays the same  
Is everything changes, everything changes  
Sister calls herself a sexy grandma  
Brothers on a diet for high cholesterol  
Mamma's out of touch with reality  
Daddy's in the ground beneath a maple tree  
As the angels sing an old Hank Williams song  
Time marches on, time marches on  
Time marches on, time marches on  
Time marches on, time marches on
