

Way Too Fast

Active Child

Advisory - the following lyrics contain explicit language:

I fall in love
Way too fast
At least I'm in a better place I fall in love
Way too fast
I don't know what else to say You know
Oh you're so damn cold
Soon you'll be all by yourself And you know
Oh you're so damn cold
Soon you'll be all by yourself I trust in you
Way too fast
Didn't think you'd do me like that I put my trust in you
Way too fast
You didn't even say goodbye But you know
Oh, you're so damn cold
Soon you'll be all by yourself You know
Oh, you're so damn cold
Soon you'll be all by yourself Yourself...
