Fuck Me, I'm Sick

Pig

This pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on me
You are my ever living lie
My weakness wrapped upon the wheel
You the sore upon the side
The hand you hold will never heal
I am the cripple and the crime
I am the filth and first denied
This thief that shits upon your shrine
The shame that you can never hide
Hurt me - touch me
Cut me - touch me
Need me - touch me
Fuck me - touch me
This pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on me
There's nothing in your eyes but need
Come taste this tiny tender prey
Come push me to the tiny net
You'll never give, I'll never get
I'll never get
You'll never give
I'll never get
I burn my dirty little lights
That fill my dirty little nights
Concede and crawl and criticize
And I'll fill my dirty little highs
Hurt me - touch me
Cut me - touch me
Need me - touch me
Fuck me - touch me
This pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on me

Hurt me - touch me
Cut me - touch me
Need me - touch me
Fuck me - touch me
Hurt me - touch me
Cut me - touch me
Need me - touch me
Fuck me - touch me
This pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on me
This pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on me
