

Twister

Weird Al Yankovic

Yeah Well, well, Milton Bradley's got a def one
It's a twister
(Twister, twister, twister)
Yeah, all the girls and homeboys playin' twister
(Twister, twister, twister) Spin the spinner and call the shot
Twister ties you up in a knot
That's twister
Yeah, twister Check it
Right foot blue
(Right foot blue)
Left hand red
(Left hand red)
Left, right, yellow, blue, green
Yeah, twister Now, everybody's chillin'
With the twister
(Twister)
Wherever things are illin'
You'll find twister
(Twister, twister!)
That's twister
Yeah, twister Yeah buddy
You gotta get it
Yeah twister
