

Hope

The Suicide Machines

I'm trying to find my way home to you
I'm gonna wipe all your tears away
Ignorance and hate are killing this world
So, where's the change? It'll happen someday Oh, I try not to give up hope
That one day things will get better
We're all gonna be together
May not be sunny weather Don't give up hope It's never been a question of 'This Is Alright'
'Cause we're not gonna have it
All I do is hope against hope
We'll set it right 'cause we're killing each other Oh, I try not to give up hope
That one day things will get better
We're all gonna be together
May not be sunny weather Don't give up hope Well, I don't know what to say
But you've turned me inside and out
And I don't know what to do
But I'm young and so are you so Oh, I try not to give up hope
That one day things get better
We're all gonna be together
May not be sunny weather Don't give, give up hope
