

# Let It Be

**John Denver**

When I find myself in times of trouble  
    Mother Mary comes to me  
Speaking words of wisdom, let it be  
    And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
And all the broken hearted people  
    Living in the world agree  
There will be an answer, let it be  
    For though they may be parted  
There is still a chance that they will see  
    There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
    There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
    And when the night is cloudy  
There is still a light that shines on me  
    Shine until tomorrow, let it be  
And I wake up to the sound of music  
    Mother Mary comes to me  
Speaking words of wisdom, let it be  
Let it be, let it be, let it be, let it be  
Whisper words of wisdom, let it be  
Let it be, let it be, let it be, let it be  
    There will be an answer, let it be  
Let it be, let it be, let it be, let it be  
And there will be no sadness, let it be
