A Forest (Live In France June 1980)

The Cure

Come closer and see
See into the trees
Find the girl
While you canCome closer and see
See into the dark
Just follow your eyes
Just follow your eyesI hear her voice
Calling my name
The sound is deep
In the darkI hear her voice
And start to run
Into the trees
Into the trees
Into the treesSuddenly I stop
But I know it's too late
I'm lost in a forest
All aloneThe girl was never there
It's always the same
I'm running towards nothing
Again and again and again
