

Inside

Bardo Pond

I have to say
It's opening up
Inside
Outside

There's a place
Opening up
Not for the faint of heart
For those who came

All this way
With the clouds in their eyes
It's up there
Downstairs

I have to say
It's opening up
Inside
Outside

It smiles at you
All the way to the door
And the hole in it's middle
Runs out
We push our way

There's a place
For those who came
All this way
With the clouds in your eyes
