Well I'm about to get up sick

From watchin my t.v.

Been checkin' out the news

Until my eyeballs fail to see

I mean to say that every day

Is just another rotten mess

And when it's gonna change, my friend

Is anybody's guess

So I'm watching and I'm waiting

Hopin' for the best

Even think I go to praying

Every time I hear them sayin'

That there's no way to delay

That trouble comin' everyday

No way to delay

That trouble comin' every day

Wednesday I watched the riot

I've seen the cops out on the street

Watch them throwing rocks and stuff and choking in the heat

Listen to reports

About the whiskey passin' round

Seen the smoke and fire

And the market burnin' down

Watched while everybody on his street would take a turn

They stomp and smash and bash and crash and slash and bust 'n burn

And I'm watching and I'm waitin hopin' for the best

Even think I go to prayin'

Every time I hear em sayin'

That there's no way to delay

That trouble comin' every day
No way to delay
That trouble comin' everyday
You can cool it
You can heat it
Cause baby I don't need it
Take your t.v. tube and eat it
And all that phony stuff on sports
And all those unconfirmed reports

You know I watch that rotten box
Until my head begin to hurt
From checkin' out the way
The newsmen say they get the dirt
Before the guys on channel so and so
And further they assert
That any show they litter up
They bring you news if it comes up
They say that if the place blows up
They will be the first to tell
Cause the boys they got downtown
Working hard and doin swell
And if anybody gets the news
Before it hits the streets
They say that no one blams it faster
Their coverage can't be beat
And if another woman driver
Gets machine gunned from her seat
They'll send some joker with a brownie
And you'll see it all complete
So I'm watching and I'm waiting
Hopin for the best
Even think I go to praying
Every time I hear them saying
That there's no way to delay
That trouble comin' everyday
No way to delay
That trouble comin' every day
Well I've seen the fires burnin'
And the local people turnin'
All the merchants and the shops
Who use to sell their brooms and mops
And every other household item
Watch the mob just turn and bite em
And they say it serve them right

Because a few of them are white
And it's the same across the nation
Black and white discrimination
Yell and you can understand me
And all that other crap they hand me
In the papers and t.v.
And all that mass stupidity
That seems to grow more everyday
These time of year some asshole say
He wants to go and do you in
Cause the color of your skin
Just don't appeal to him
No matter if it's black or white
Because he's out for blood tonight
