

Inside Out

Warrant

Get a break and I understand
You can only be with another man
In the sack, hop on the back
Honey to me it's all out of track Oh, you've been gone, baby
Who's spinning around and around and around
Should've been gone, scream and shout
Hold me, turn me inside out Sculptures who would act so fly
Don't you know you're driving me insane
You can have more than you'll ever need
Why I gotta live with your two o'clock lies You've been gone, baby
Who's spinning around and around and around
Should've been gone, scream and shout
Hold me, turn me inside out I tell you, you've just got down Hey
Take it, take it, take it, take it
Hold it, hold it, hold it Now I'm naked and I understand
You can only fuck another man
In the sack, hop on the back
Honey you and me is out of track Yeah, you've been gone, baby
Who's spinning around and around and around
Should've been gone, scream and shout
Hold me baby, turn me inside out
Should've been gone, scream and shout
Yeah, tell me, I'm spinning around
Yeah Hey, hey
Hey, hey
Uhh, hey I'm not spinning around
Would you get to the inside out
This mic out of my fuckin'
