

At Ease

The Baboons

You know baby I love you so
You know baby that I just can't go on
Mind is weary blood pressure on the loan
You say I'll change but then you don't
My ... are fever
The silence before the storm
I can feel the chaos stream your bones Why don't you baby
Why don't you
Put your mind at the ease
Well my teras are filling ocean in the night
Let me tell you one thing they ain't right
Called by the Devil in his filght
Smash me to the rock with all ... mind
I'm trying to love you, in seven milions ways
Whish I can love you till the end of my days Why don't you baby
Why don't you
Put your mind at the ease My teras are filling oceans in the night
Let me tell you one thing they ain't right
Bad love in trobule plain in misery
Seen it coming on my way ocassionaly
Well I tried avoid
And You know that I can't
You've got my heart in frying pain
Why don't you baby
Why don't you
Put your mind at the ease
Yeach
Why don't you baby
Why don't you
Put your mind at the ease x2
