Deep As It Is Wide

Eric Paslay

There's a place at the edge of the sky
Where there's a love deep as it is wide
The weak are strong, the hungry are all fed
And there's a breeze from the angels flying overhead
Oh yeahAnd there's a path, a glorious light
That guides you up the mountainside
And at the top, if you could you'd cry
'Cause you see pure love for the very first time, mmmDeep as it is wideEvery breath taking me closer
Every step leading to paradise
They say the faithful get to go there
I believe there's a love
Deep as it is wideAnd I hear, when you get to the river
You look back for the very last time
And when you cross, you get washed off forever
Hurry up boy, eternity's on the other side, ohhDeep as it is wide, yeahEvery breath taking me closer
Every step leading to paradise
They say the faithful get to go there
I believe there's a love
Deep as it is wideEvery nation, color and creed
Like grace pouring out, far as the eye can see
Singing praises up to a King
'Cause He died, for a crown
Deep as it is wide, yeah, yeah, yeahEvery breath taking me closer
Every step leading to paradise
They say the faithful get to go there and
I believe there's a love
I believe in a love, oh yeah
I believe there's a love
Deep as it is wide, oh yeah, ohThere's a place at the edge of the sky
Where there's a love, deep as it is wide
