

Hold Your Head Up

Mother Love Bone

And if it's bad,
Don't let them bet you down, you can take it.
And if it hurts,
Don't let them see you cry, you can make it. Hold your head up, woman.
Hold your head up, woman.
Hold your head up, woman.
Hold your head high. and if it hurts,
just let them burn their eyes on you moving
('cause you're moving out...)
and if they shout,
don't let them change a thing what you're doing.
hold your head up, woman.
hold your head up, woman.
hold your head up, woman.
hold your head high Don't cry, don't cry
Don't cry, don't cry
Don't cry, don't cry
Don't cry, don't cry
Don't cry And if them miss you around
Don't let them change your thing you're thinking And if it call you names
Just tell them this is love rock making
hold your head up, woman.
hold your head up, woman.
hold your head up, woman.
hold your head high...
