

I'll Go Where You Send Me

[Mark Lanegan](#)

I'll go where you send me
I know better now
I'll go where you send me
I know better now
Never thought I'd see, this beautiful thing
I know better now Blue lights above me
I see your mercy now
Blue lights above me
I see your mercy now
And then to fall, like nothing at all
Just a dream
I'll do what you ask me
I shall not want
I'll do what you ask me
And I shall not want
Your will be done, while mine has gone
Through every darkened place
I'll go where you send me
I'm ready now
I'll go where you send me
Yes, I'm ready now
Ready to fall like nothing at all
Just a dream
