## Drop City Yacht Club

So, I told her like oh darliAnnotaten  
I feel like I am fallin?  
I think I?m in whatever, it is they call it  
I?m talkin? bout love  
My friends say I?m trippin but baby I don?t really give a f\*ck  
Oh, oh. Pardon my french girl I just wanna know what?s up  
I told her we should kick it  
But all I heard was crickets  
I?m like ?Girl whatcha doin for today??  
Im thinking maybe me and you should go and run away  
And now I don?t believe in love at first sight  
But after seein? you baby maybe I might  
Cause when you walked by. I knew you we?re my type  
The apple of my eye. You?re flyer than a kite  
Okay alright, I know that was kinda corny  
But (but) I?m just warmin? up  
Look at you, look at you, all dolled up  
Look at me, Look at me, gettin? caught up  
Goin? down, goin? down, yeah I?m shot up  
But hopefully, you got a number I can call up  
And If you do girl, that be super  
These chicks hot, but you?re so much cooler  
And I was hoping she would give me a chance  
She walked by and didn?t gimme a glance. Damn  
So, I told her like oooh baby  
I?m so amazed by everything that you do  
So, I told her like oh darlin  
I feel like I am fallin?  
I think I?m in whatever, it is they call it  
I?m talkin? bout love  
My friends say I?m trippin but baby I don?t really give a f\*ck  
Oh, oh. Pardon my french girl I just wanna know what?s up. (what?s up)  
I told her we should kick it  
But all I heard was crickets  
Yeah, yeah, I said ?Girl whatcha doin? on the weekend?  
And she said ?I don?t even know depends?  
But you?re the one that I?ve been seein? in my dreams and  
Maybe we can get together in the evening  
I know we just met but fate I believe in

I know a spot where the stars just peek in

If love is deep, I'll put both feet in  
Show me where the sea is, I'll be in the deep end

Ha. Your beauty got me sinkin?

Got me sayin? ?all this shit? without thinkin?

I probably sound like I spent the night drinking

Or these are lines that I'm always repeatin?

But it's the heart on my sleeve

That wanna know if your might have a spare key

But if you're a heartbreaker then please spare me

Damn, she was apparently

So, I told her like oh baby

I'm so amazed by everything that you do

So, I told her like oh darlin

I feel like I am fallin?

I think I'm in whatever, it is they call it

I'm talkin? bout love

My friends say I'm trippin but baby I don't really give a f\*ck

Oh, oh. Pardon my french girl I just wanna know what's up

I told her we should kick it

But all I heard was crickets

In this light, you're lookin? like you're in flight

Pretty voice, put a ribbon on you're wind pipe

Silly girl, you've been playin? with me all night

But we can work it out, I been on my gym hype

Yeah, I heard you had a boyfriend and stuff and

I was just calling to tell you that its cool cause

My other girlfriend got one too haha

So I told her like

So, I told her like oh baby

I'm so amazed by everything that you do.

So, I told her like oh darlin

I feel like I am fallin?

I think I'm in whatever, it is they call it

I'm talkin? bout love

My friends say I'm trippin but baby I don't really give a f\*ck

Oh, oh.

Pardon my french girl I just wanna know what's up

I told her we should kick it

But all I heard was crickets
