

Just for Me (feat. Dr. Tony Wade)

Apostle Herman Murray & The FGHT Mass Choir

Born in a manger wrapped in swaddling clothes
Jesus came for the young and the old
He left His throne in Glory just for you and I
He came to pay that awful debt. so that we wouldn't have to die

He did it all, did it all Just for me just for me
He did it all, did it all Just for me just for me

They whipped Him on his back, for your healing and mine
Placed the thorns upon his head He stood there with us in mind
And then they marched Him on to Calvary stretched Him wide and they hung Him high
He never said not one mumbling word, He just hung his head and died

He did it all, did it all Just for me just for me
He did it all, did it all Just for me just for me

They buried our dear Savior in Joseph's borrowed tomb
After they cleaned his mangled body of the spear and nail scarred wounds
But you know what early that Glorious morning, I know he rose from the dead
With the keys to death, hell, and the grave, Just like, just like He said.

He did it all, did it all Just for me just for me
He did it all, did it all Just for me just for me (Repeat)

Just for me, Just for me, Just for me.
