

# High On Life

## DJ Encore

I want to feel your touch  
You know it's easier if we get closer  
I'm not asking for too much  
I just get this feeling over and over'cause it's just you that I see  
Nothing but you I feel so free  
I just get this feeling over and over You make me feel high on life  
When I'm with you I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
It makes me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling from taking over If you could only say  
Why it feels so good  
When you move closer  
I think we're on our way  
I just get this feeling over and over'cause it's just you that I see  
Nothing but you, I feel so free  
I just get this feeling over and over You make me feel high on life  
When I'm with you, I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
You make me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling  
From taking over [Spoken:]  
Right here in this crowded place  
I feel it we're at the center of it all  
Looking at you I'm amazed  
It seems I'll never fall'cause it's just you that I see  
Nothing but you I feel so free  
I just get this feeling over and over You make me feel high on life  
When I'm with you I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
You make me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling from taking over
