

Guarded By Monkeys

Cracker

You are so beautiful
You should be hid deep in the jungle
On some forgotten island I heard about you
I got your PGP key
I write you letters every day CHORUS:
You are so beautiful
You should be guarded by monkeys
You are so beautiful REPEAT CHORUS I have invented
51 daylight
This does not seem to impress you You are so beautiful
Sublime and classified
I can't stop thinking about you REPEAT CHORUS x2- break -REPEAT CHORUS You are so beautiful
You should be hid deep in the jungle
You are so beautiful REPEAT CHORUS x2 You are so beautiful
You are so beautiful
