

Waking Dreams

[Ayreon](#)

[Jonas Renkse:]

Life, imagination

Missing link in the chain

We will fuel your minds

Color your thoughts

Come to you in waking dreamsFire, inspiration

Missing branch on the tree

We are your roots

We are your blood

Come to you in waking dreams[Anneke:]

Sail the stream as I dance upon the waves of a waking dream

As it passes you by.

Ride the beam as I rise upon the wings of a waking dream

As it fades in the sky.[Jonas:]

Mind transformation

You were chosen

To live the the dream that we have been dreaming

Now's the time to come together and make it come true

Oh me and you[Anneke:]

Sail the stream as I dance upon the waves of a waking dream as it passes you by.

(Dancing on the waves)

Ride the beam as I rise upon the wings of a waking dream as it fades in the sky.[solo keyboard: Tomas

Bodin][solo guitar: Arjen][Anneke:]

Sail the stream as I dance upon the waves of a waking dream as it passes you by.

(Dancing on the waves)

Ride the beam as I rise upon the wings of a waking dream as it fades in the sky.
