

There's Gonna Be Some Rockin'

[Ac/dc](#)

Well me and the boys
Are out to have some fun
Gonna put on a show
Come on
let's go

CHORUS:

There's gonna be some rockin'
There's gonna be some rockin'
There's gonna be some rockin' at the show tonight
Every night

There's a rock 'n' roll Queen
Gonna quiver and quake
Gonna shake her thing

CHORUS

(It's a rock 'n' roll show)
We got a big fat sound
Wanna share it round
Got a big bass drum
Gonna have some fun

CHORUS
