

# One Love To Another

## Edward Sharpe & The Magnetic Zeros

One lover one lover  
One love to another One love to another One love to discover Here come miss helper  
She's walkin' on sunshine  
She lean in to tell ya  
Everything is alright One love for one lover  
One lover to another  
One love to another  
More love to discover It's a hard time a hard time, destitution  
It's a hard time a hard time, revolution  
It's a hard time a hard time to have a lover  
It's a hard time a hard time, modern lover One lover one lover  
One love and no other  
One love to another  
One love to discover It's a good time a good time, evolution  
It's a good time a good time but bad pollution  
It's a good time a good time, have a lover  
It's a good time a good time, my oh! lover One lover one lover  
One love to another  
One love to another  
One love to discover
