

1,000 Hours

Green Day

Starlit night
The moon is shining bright
You're the one that I need
Up at your window
I see a shadow
Silhouette of your grace
Here's this flower
I picked for all the hours
That you've spent with me
The one I love
That I've been dreaming of
Sailing across the sea
Let my hands flow through your hair
Moving closer a kiss we'll share
Passionate love to be all night long
We'll never break, as one too strong
And nothing's more
Than what our love is for
As I kiss your cheek

Oh, so softly
Hands flowing down my back
One thousand hours, I'll never leave
Our romance
Is a love trance
And now, we'll never part
One thousand hours
Of such a love shower
Now we'll never stop, once we start
Let my hands flow through your hair
Moving closer a kiss we'll share
Passionate love to be all night long
We'll never break, as one too strong
Let my hands flow through your hair
Moving closer a kiss we'll share
Passionate love to be all night long
We'll never break, as one too strong
