

# Crush On You

Amanda

Wanna give in to my feelings  
And I cannot describe  
What's up with you  
And the things you make me wanna do  
Wanna get it, wanna hit it  
And I want it right now  
I follow you  
'Cause you, you got me all confused  
I can't hide it, I can't fight it  
I'm trapped with nowhere else to go  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you  
Do you think that I don't see  
The games you play  
And the way you talk to all your girls  
Here you go with your show  
Although you know  
What's up with you  
You know that I'm not one of them  
Admit it, get with it  
We're trapped with nowhere else to go  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you  
Get a crush  
Get a crush  
Get a crush, crush, crush  
Quit your games 'cause I don't play  
The way you do 'cause I'm on another level  
Still, I can't control my crush on you  
My crush on you  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you  
Yes, I know it's true  
It shows, I can't deny, can't fight  
Let's call the spell on me, you've got me hooked  
And I can't control my crush on you
