

Anywhere

Evanescence

Dear my love, haven't you wanted to be with me
And dear my love, haven't you longed to be free
I can't keep pretending that I don't even know you
And at sweet night, you are my own
Take my hand We're leaving here tonight
There's no need to tell anyone
They'd only hold us down
So by the morning light
We'll be half way to anywhere
Where love is more than just your name I have dreamt of a place for you and I
No one knows who we are there
All I want is to give my life only to you
I've dreamt so long I cannot dream anymore
Let's run away, I'll take you there We're leaving here tonight
There's no need to tell anyone
They'd only hold us down
So by the morning light
We'll be half way to anywhere
Where no one needs a reason Forget this life
Come with me
Don't look back you're safe now
Unlock your heart
Drop your guard
No one's left to stop you Forget this life
Come with me
Don't look back you're safe now
Unlock your heart
Drop your guard
No one's left to stop you now We're leaving here tonight
There's no need to tell anyone
They'd only hold us down
So by the morning light
We'll be half way to anywhere
Where love is more than just your name
