His Life for Mine

Foster Triplets

His life for mine.

Solo1: His heart was broken, mine was mented. the
He became sick, now am healed.
The cross He carried for my burden
The nails that hit Him sets me free

Chorus: His life for mine
His life for mine
How could this ever be
That He would die
God's son would die
To save a wretch like me

What love divine
He gave His life for mine.

Solo2:
His hands of sovereign brought me healing
He spilled His blood to fill my soul
His crown of thorns make me royalty
His sorrow gave me joy untold.

Chorus:
His life for mine
His life for mine
How could this ever be
That He would die
God's son would die
To save a wretch like me
What love divine
He gave His life for mine

He was dispersed and rejected
Stripped of His garment and oppressed
Am loved and accepted
And I wear a robe of righteousness.

Chorus:
His life for mine

His life for mine
How could this ever be
That He would die
God's son would die
To save a wretch like me
Like me
What love divine
He gave His life for mine.....
