

Impossible

[JT Spangler](#)

Impossible

If I were a sculptor with my hands Iâ€™d scrape away your demands and cut on through

I'd mold the excess near perfection it be just like you but brand new

Itâ€™s impossible for me to chase my dreams and to chase you too so it seems

Itâ€™s impossible for me to chase my dreams and to chase you too so it seems

If I were a poet with my words, Iâ€™d write a story a happy ending

Weâ€™d grow old together, through rain and stormy weather itâ€™s a nice picture, however

Itâ€™s impossible for me to chase my dreams and to chase you too so it seems

Itâ€™s impossible for me to chase my dreams and to chase you too so it seems

(Ooos)

And I need you and I miss you and I pushed on with out you

This is the way it has to be telling you girl, Iâ€™m sorry

With everything weâ€™ve been through you know that I still love you

O ooos
