Chainsaw

The Band Perry

We scratched our names
In that oak tree
?Cause I loved you
And you loved me
A jagged little heart so the whole town knew it
Carved in the bark with an arrow through it
I came out here to see it one more time
And I got my chainsaw
Oh you know it's got to go, it's such a shame y'all
But I ain?t gonna be happy until those names fall
And I?m sittin? on a stump
Love is shady
Love is tragic
It?s hard to bury the hatchet
Holdin? a chainsaw
I guess all those years
They don?t mean a thing
Now I can?t wait
To count those rings
Nothing left of us but dust and splinters
A big pile of wood to keep me warm through the winter
?Cause I don?t have you

But I got my chainsaw
Oh you know it's got to go, it's such a shame y'all
But I ain?t gonna be happy until those names fall
And I?m sittin? on a stump
Love is shady
Love is tragic
It?s hard to bury the hatchet
Holdin? a chainsaw
I remember what you said that night
That you would love me for the rest of your life
We wrote forever with a pocketknife
But forever?s goin? down tonight
I got my chainsaw
Oh you know it's got to go, it's such a shame doll
But I ain?t gonna be happy until those names fall
And I?m sittin? on a stump

Love is shady
Love is tragic
It?s hard to bury the hatchet
Holdin? a chainsaw
