

Nessaja (Extended)

Scooter

Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignored the dreams, too many lies Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late, never too late 3 a.m.
The painted cow
Hia!
You ain't stoppin' us now
Wonderful human beings
Yeah! I am a Junglist soldier Come on! The rocket launcher stop ya
It's not a bird, it's not a plane
It must be Dave who's on the train
Wanna wanna get'cha, gonna gonna get'cha
Tell them that I told ya
Yeah Always lived my life alone
Been searching for the place called home
I know that I've been cold as ice
Ignored the dreams, too many lies Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late, never too late Alright
Are you ready? It's not a game
I chant so much, I turn you insane
Wanna wanna get'cha, gonna gonna get'cha
Messing up the area
Yeah Come on
I am the freshman
Messing up the jam
Turning up the stereo
Join the caravan
Skippy, the rain won't come Somewhere deep inside
Somewhere deep inside me
I found the child I used to be
And I know that it's not too late, never too late
