Love's Tears

Jon Secada

Lady, don't be discouraged
As to what we can do, where we can go
Woman, don't you be worried
As to what we don't know
But what the future holds
So hold on, we can survive
With destiny on our side
Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
Lady, can you imagine the beauty within
When tenderness grows
Tell me is there always a reason
For all that we do if love's really true

So help us, turn every stone
Till all our fears are gone
Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
So hold on, we can survive
With destiny on our side
Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
